REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION PERFORMED BY CERTIFIED PUBLIC ACCOUNTANT

To the Board of Directors of Firetrade Engineering Public Company Limited

I have reviewed the accompanying consolidated financial statements of Firetrade Engineering Public Company Limited and its subsidiary, which comprise the consolidated statement of financial position as at March 31, 2017, and the related consolidated statement of comprehensive income, the consolidated statement of changes in shareholders' equity and the consolidated statement of cash flows for the three-month period then ended, and the condensed notes to the consolidated financial statements. I have also reviewed the accompanying separate financial statements of Firetrade Engineering Public Company Limited, which comprise the statement of financial position as at March 31, 2017, and the related statement of comprehensive income, the statement of changes in shareholders' equity and the statement of cash flows for the three-month period then ended, and the condensed notes to the financial statements. Management is responsible for the preparation and presentation of this interim financial information in accordance with the Thai Accounting Standard No. 34 "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of review

I conducted my review in accordance with the Standard on Review Engagement No. 2410 "Review of Interim Financial Information Performed by the Certified Public Accountant of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion on the reviewed financial information.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information for the three-month period ended March 31, 2017 is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34 "Interim Financial Reporting".
