Condensed Notes to Financial Statements June 30, 2017 and 2016 (Unaudited/Reviewed) and December 31, 2016 (Audited)

1. GENERAL

Firetrade Engineering Public Company Limited ("the Company") (formerly Firetrade Engineering Company Limited) was incorporated as a limited company under the Civil of Thailand on November 2, 1999 and has its registered office at 21/57-58 Soi Soonvijai, Rama 9 Road, Bangkapi District, Huaykwang Sub-district, Bangkok 10310.

On August 8, 2016, the Company was registered the legal transformation of juristic person from being limited company under the Civil and Commercial Code to limited public company under the Limited Public Company Act B.E. 2535 and the Company was registered as the listed entity in the Stock Exchange of Thailand ("SET") on July 27, 2017.

The Company is engaged in sales of fire protection equipment and systems, design, installation, repair and maintenance the fire protection systems.

2. BASIS FOR PREPARATION OF INTERIM FINANCIAL INFORMATION

The accompanying interim financial information are prepared on a condensed basis in accordance with Thai Accounting Standard ("TAS") No. 34 (revised 2016) "Interim Financial Reporting" including related interpretations and guidelines promulgated by the Federation of Accounting Professions ("FAP"), and the applicable rules and regulations of the Securities and Exchange Commission.

The interim financial information are prepared to provide an update on the financial statements for the year ended December 31, 2016. They focus on new activities, events and circumstances to avoid repetition of information previously reported. Accordingly, these interim financial information should be read in conjunction with the financial statements for the year ended December 31, 2016.

The consolidated interim financial information, comprised of the financial statements of the Company and its subsidiary (hereinafter referred to as "the Group"). The Company's subsidiary, i.e. Fire Inspector Co., Ltd., was incorporated in Thailand on May 11, 2007 to be engaged in sales, installation and provide service for all types of fire protection equipment and systems. The Company has the controlling power and the percentage of shareholding in such company at 99.99%.

Significant intra-group transactions between the Company and its subsidiary are eliminated in the preparation of the consolidated financial statements.

For convenience of the readers, an English translation of the financial statements has been prepared from the Thai language statutory financial statements that are issued for domestic financial reporting purposes.

FAP has revised Thai Financial Reporting Standards (Thai Accounting Standards, Thai Accounting Standard Interpretations, Thai Financial Reporting Standards and Thai Financial Reporting Interpretations) which become effective for the period beginning on or after January 1, 2017. The adoption of these Thai Financial Reporting Standards does not have significant impact on the Group's financial information.

Accounting policies and methods of computation applied in the interim financial information for the three-month and six-month periods ended June 30, 2017 and 2016 are consistent with those applied in the financial statements for the year ended December 31, 2016.

Condensed Notes to Financial Statements (Continued) June 30, 2017 and 2016 (Unaudited/Reviewed) and December 31, 2016 (Audited)

3. RELATED PARTY TRANSACTIONS AND BALANCES

8. SIGNIFICANT FINANCIAL INFORMATION CLASSIFIED BY OPERATING SEGMENT

Revenues from sales of goods, revenues from project works and services, other income, costs of sales of goods, costs of project works and services, other expenses, and profit / loss before income tax expense are significant financial and core information of the Group that are provided regularly to the highest authority in decision-making operation and also used in evaluation of financial performances of the segments. The Group operates in two main business segments, namely sales of fire protection equipment and systems and project works and services (design, installation, repair and maintenance of fire protection systems).

In addition, the Group operates its business in Thailand. The management therefore considers that the Group has one geographical segment.
