REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION OF CERTIFIED PUBLIC ACCOUNTANT

To the Board of Directors of Firetrade Engineering Public Company Limited

I have reviewed the consolidated statement of financial position of Firetrade Engineering Public Company Limited and its subsidiary as at 31 March 2018, and the related consolidated statements of comprehensive income, changes in shareholders' equity and cash flows for the three-month period then ended, and the condensed notes to the financial statements. I have also reviewed the separate statement of financial position of Firetrade Engineering Public Company Limited as at 31 March 2018, and the separate statements of comprehensive income, changes in shareholders' equity and cash flows for the three-month period then ended, and the condensed notes to the financial statements. The management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34, "Interim Financial Reporting".
